October 17, 2023

To whom it may concern:

Thank you for your interest in taking the ASBOG examination(s). ASBOG examinations are now computer-based; all candidates will sit for the exams at an approved Prometric testing center. This will require registration to be different than it has been in the past. We will need just a little bit of information from you to get you "pre-registered".

Please email me the following information: First Name, Last Name, email address and if you are wanting to register for the Fundamentals of Geology or Practice of Geology. Your deadline to register with the Board for the March 15th exam is January 19th and for the October 4th exam, the deadline is August 23rd. We will take that information and upload it to Prometric for you. More exam information, including fees is available to candidates at <https://asbog.org/registration.html> These fees are not regulated by the Board.

Your contact information will allow Prometric to contact you directly to schedule when and where you would like to take your test and then allow you to make your payment online directly. That e-mail will come approximately 6 weeks prior to the test date. Please check your junk/spam mailboxes, as the email will not be arriving from Hope Childers, Board Administrator, as it has in the past.

Please be aware that sending this information does NOT schedule your test, you will do that when the e-mail is received from Prometric/ASBOG 6 weeks prior to the testing date.

ASBOG Candidate Handbook located at <https://asbog.org/candidates/candidates.html>. .

A handwritten signature in blue ink, appearing to read "Keith E. Warren", with a long horizontal line extending to the right.

Keith E. Warren
Executive Secretary
